

eTOLL registration instructions

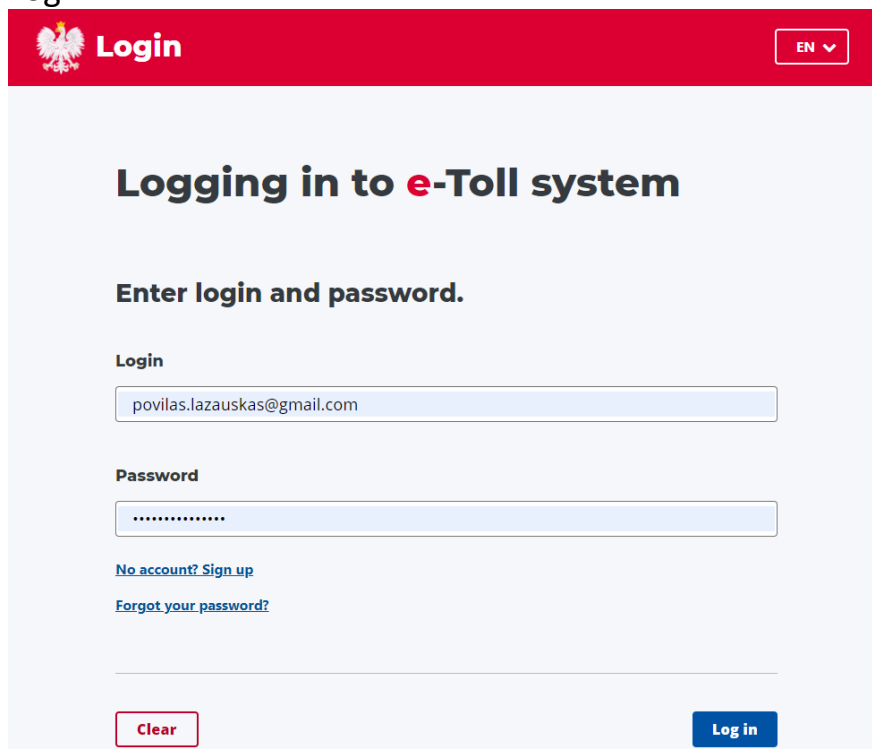

1. Go to <https://etoll.gov.pl/>
2. In case you do not have an account, register to eTOLL portal ([direct link](#))
3. If you already have an account, chose your authentication method ([direct link](#))

The screenshot shows the 'Login' page of the eTOLL portal. At the top, there is a red header with the Polish eagle logo and the word 'Login' in white. On the right side of the header, there is a language selection dropdown menu showing 'EN' with a downward arrow. The main content area has a light gray background and features the heading 'Confirm your identity to gain access to the service' in bold black text. Below this heading, there is a section titled 'Choose your authentication method:' followed by three selectable options, each in a white box with a blue border and a right-pointing arrow:

- Login.gov.pl**
trusted profile, e-ID or online banking
Most often chosen method of login to services of public administration.
- mObywatel app**
Login application
mObywatel app is a digital wallet for your document and services. You can log in via mObywatel to public administrion services. App is available on Android and iOS systems.
- Login and password**
Additional login method
Login option directed to those who are not able to use login.gov.pl or mObywatel app.

4. Login

The screenshot shows the 'Login' page of the eTOLL portal. At the top, there is a red header with the Polish eagle logo and the word 'Login' in white. On the right side of the header, there is a language selection dropdown menu showing 'EN' with a downward arrow. The main content area has a light gray background and features the heading 'Logging in to e-Toll system' in bold black text. Below this heading, there is a section titled 'Enter login and password.' followed by two input fields:

- Login**
povilas.lazauskas@gmail.com
- Password**
.....

Below the password field, there are two links: 'No account? Sign up' and 'Forgot your password?'. At the bottom of the form, there are two buttons: a red 'Clear' button and a blue 'Log in' button.

5. Select name of your organization:

 **e-TOLL** POVILAS LAZAUSKAS EN

List of parties

8. Go to OBE (On-Board Equipment) Menu and press “Add OBE”:

The screenshot shows the e-TOLL application interface. At the top, there is a red header with the e-TOLL logo and the user's name 'POVILAS LAZAUSKAS' and language 'EN'. On the left, a navigation menu lists: Povilas Lazauskas ID card, Billing accounts, Messages, Vehicles, **OBE** (highlighted with a red arrow), Calculate route payment, and History. The main content area is titled 'OBE list' and features a 'Filters' section. Below this is a table with columns: Status, Type, BusinessID, and Status. The table currently contains 'No data'. A red arrow points to the 'Add OBE' button in the bottom right corner of the table area.

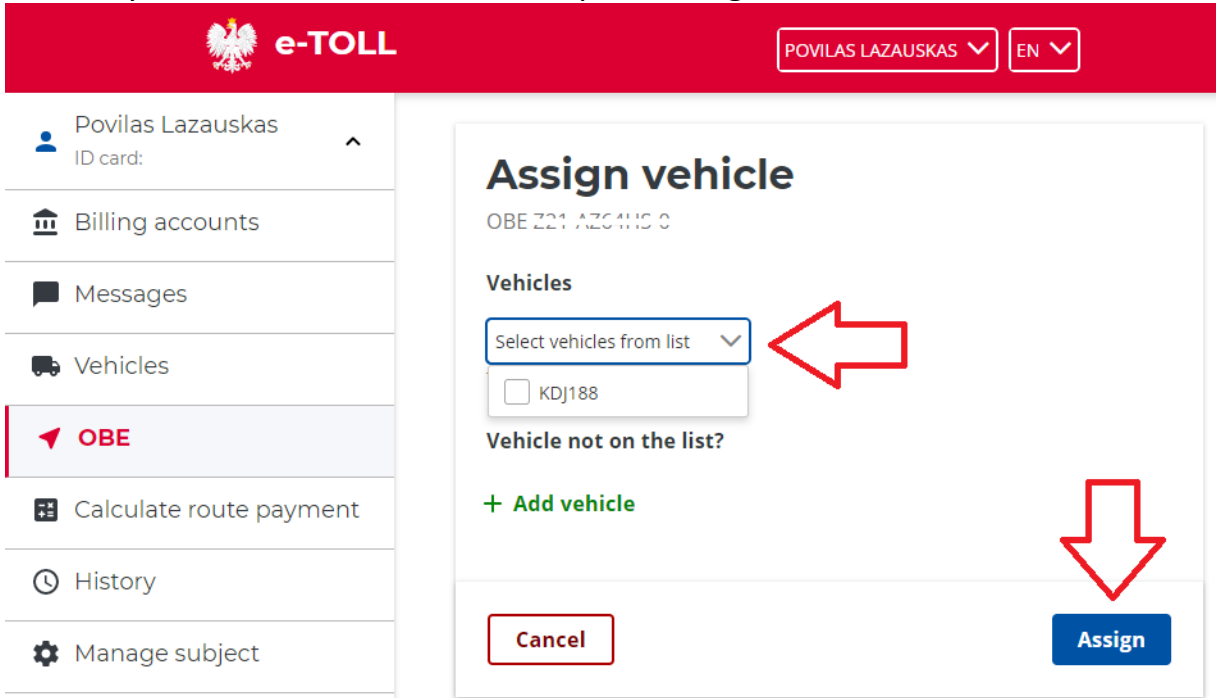

9. Enter Ruptela’s provided Device Business ID (also known as “Locator Number”) and press Add:

The screenshot shows the 'Add OBE' form in the e-TOLL application. The header is the same as in the previous screenshot. The navigation menu on the left includes: Povilas Lazauskas ID card, Billing accounts, Messages, Vehicles, **OBE** (highlighted with a red arrow), Calculate route payment, History, and Manage subject. The main content area is titled 'Add OBE' and has two radio buttons: 'Business ID' (selected) and 'OBE data'. Below the radio buttons is a 'Business identifier' field containing the text 'Z01 AZG4115 0', which is highlighted with a red arrow. At the bottom, there are 'Cancel' and 'Add' buttons. A red arrow points down to the 'Add' button.

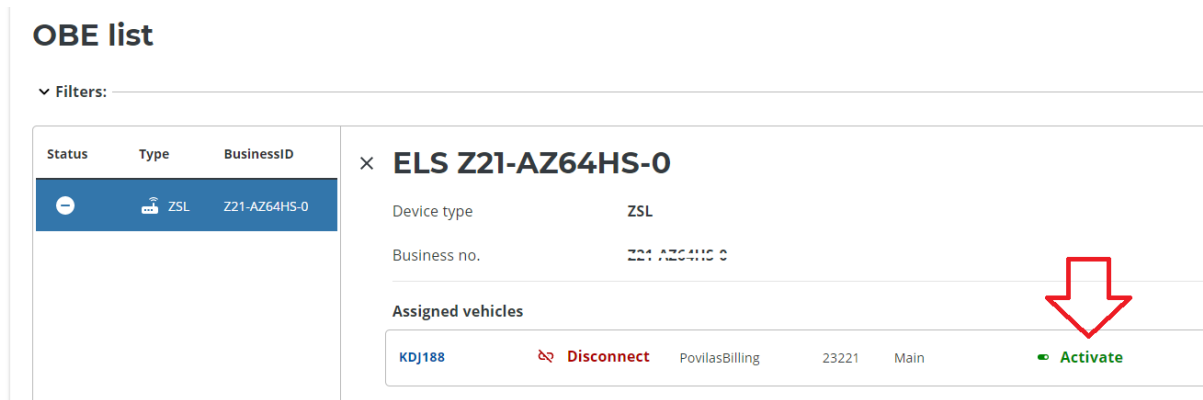

10. Get confirmation and press “Assign OBE to vehicle”:

The screenshot shows the 'New OBE' confirmation screen in the e-TOLL application. The header and navigation menu are the same. The main content area is titled 'New OBE' and has two radio buttons: 'Business ID' and 'OBE data' (selected). A green-bordered box contains a confirmation message: 'Device found! The number is valid.' Below this, the device details are shown: 'Device type: ZSL' and 'Business ID: Z01 AZG4115 0'. A red arrow points to the 'Assign OBE to vehicle' button at the bottom.

11. Choose your vehicle from the list and press Assign:

12. Press Activate:

13. In your OBE list you should see that particular Device Business ID as “Enabled”:
